Report to California State Legislature under California Health Benefits Review Program (CHBRP)

The CHBRP responds to requests from the State Legislature to provide independent analysis of the medical, financial, and public health impacts of proposed health insurance benefit mandates and repeals. Analytic staff in the University of California's Office of the President works with a task force of faculty from several campuses of the University of California, as well as actuarial consultants to complete each analysis during a 60-day period. I was a cost-section lead author of the bill analyses below.

Analysis of Assembly Bill 1053: Health Care Coverage: Contraceptives (April 20, 2014; http://chbrp.ucop.edu/index.php?action=read&bill_id=155&doc_type=3)

Analysis of Assembly Bill 219: Health Care Coverage: Cancer Treatment (April 4, 2013; http://chbrp.ucop.edu/index.php?action=read&bill_id=136&doc_type=3)

Analysis of Assembly Bill 912: Health Care Coverage: Fertility Preservation (April 25, 2013; http://chbrp.ucop.edu/index.php?action=read&bill_id=147&doc_type=3)
