ACCREDITATION: The University of California, Davis, Health System is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Physician Credit: The Office of Continuing Medical Education of the University of California, Davis, Health System (School of Medicine, Medical Center and Medical Group) designates this continuing medical education activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™ of the Physician’s Recognition Award of the American Medical Association and the Certification Program of the California Medical Association. Physicians should only claim credit commensurate with the extent of their participation in the activity. The following may apply CME Category 1 credit for license renewal: Physician Assistant: The National Commission on Certification of Physician Assistants (NCCPA) states that AMA accredited Category 1 courses are acceptable for continuing medical education requirements for recertification. Psychologist: This educational activity is recognized by the California Board of Psychology as meeting the continuing education requirements toward license renewal for California Psychologists. MFT and LCSW: UC Davis Health System Continuing Medical Education, Provider No. RCE 2554. Many states for licensing also accept AMA PRA Category 1 credit for marriage and family therapists and/or licensed clinical social workers as required by the California Board of Behavioral Sciences. Nurses: The California Board of Registered Nursing accepts CME Category 1 credit toward license renewal. DISCLOSURE: As a sponsor accredited by the Accreditation Council for Continuing Medical Education, the UC Davis Health System, Office of Continuing Medical Education must ensure balance, independence, objectivity and scientific rigor in all individually or jointly sponsored educational activities. Speakers, moderators, panel members, and planning committee members participating in a sponsored activity are expected to disclose to the audience any significant financial interests or other relationships with manufacturers of commercial products and/or providers of commercial services that will be discussed in their presentations. The intent of this disclosure is not to prevent speakers with significant financial or other relationships from making presentations. Rather, disclosure allows listeners to determine if content is evidence-based and free of commercial bias, and it demonstrates how speakers will resolve conflict when it exists. All presenters must agree to provide verbal disclosures prior to presentations. A complete disclosure statement and acknowledgment of commercial support for this program will be included in the syllabus provided at the activity.
